

Effective June 15, 2020

Per Governor Ivey's Amended Health Order released yesterday, Athletic Events may resume after Monday, June 15, 2020. We will release guidelines for all promoters and licensees to follow at events. The promoter and the event venue are responsible for following CDC Social Distancing and Guidelines outlined by the Alabama Department of Health. The Commission will **not** be responsible for crowd control. We are pleased that events can resume and look forward to working with each of you as we begin assisting in scheduling events after June 15, 2020. Thank you and hope you have a great and safe Memorial Day Weekend!

Keith E. Warren, *Executive Director*
